Hapori Community programme

Terms and Conditions

If your application is successful you agree and acknowledge on behalf of yourself and your organisation, group or other entity applying for the donation, the following:

To ensure that the funds and any services received as part of the sponsorship granted by Fonterra will be used solely for the items or activities specified in this application form, and for no other purposes.

That you may not refer to Fonterra as a sponsor of the activity, event or programme which is the subject of this application unless this application is successful.

To provide a completed feedback form including photos of the sponsored activity, event or programme to the Community committee as soon as reasonably practicable following the event.

That you are authorised to make this application on behalf of the applicant and will acknowledge receipt of sponsorship support on behalf of the applicant (i.e. on official letterhead or alternative official means).

That any decision made by the Regional community committee is final. You accept and understand that no explanation for any decision made regarding your application needs to be provided.

That where this application contains personal information relating to any person, those persons have authorised the provision of their personal information by the applicant to Fonterra for the purpose of this application and for the purposes of fulfilling the requirements of any sponsorship granted.

That if you fail to comply with any of the above obligations, the Fonterra committee may take action to terminate the sponsorship including, but not limited to; requiring a refund of any sponsorship funds paid to you, cancellation of any non-financial sponsorship support, and/or requiring you to stop referring to Fonterra as being associated with your entity or organisation in any way.

I am authorised to make this application and hereby (i) confirm that all the information in this application is true and correct; and (ii) that I agree and acknowledge the terms and conditions set out above.
